

Art Commission RAMP committee meeting

Tuesday February 8, 2022 3-4pm

MINUTES

Discussion Items:

1. Repairs (unexpected damages)
 - a. New and ongoing repairs – the ‘Big To Do’ located at cemetery has been damaged

2. Planning (Outreach, and Master Planning)
 - a. Coloring Books – we don’t have Outreach funds this year but we do have an anonymous donor who has offered to cover the printing costs again this year. Because we only make changes every other year, we would not need to change any graphics - Unanimous approval of moving forward.
