Discussion Items:

1. **Repairs** (unexpected damages)
 - a. New and ongoing repairs
 - i. Go West: Centennial Village art fence damage – a vehicle traveling at a rather high speed on A street (the south side of the Monfort House) drove up on the sidewalk and damaged 3 fence panels. No painted panels were hit. Stan will contract a fabricator to rebuild/repair the panels.

3. **Maintenance & Installations** (regular cleaning, sealing etc. to avoid major repairs)
4. **Planning** (Outreach, and Master Planning)
 - a. Uptown Trees –
 - i. Request to add art trees going North – 10th to 4th Street **Action: vote to add to the Master Plan as a future location as new street renovations are done.**

 - b. Art request for NW corner of 4th St & 35th Ave **Action: vote to recommend to the Art Commission as a new project**
 - c. Traffic Cab update – the committee met and recommend that we post a call for new designs this Fall/Winter. Then ask if CDOT will allow us to wrap traffic cabinets on 10th St. **Action: vote to recommend to the Art Commission 10th St as the 2023 location pending CDOT approvals.**
 - d. Coloring Book Update – the committee met to begin discussing plans to change the artwork for 2023. It was agreed that to keep the continuity of the drawings, we should commission Ann Martinez as our graphic designer again this year.
 - e. Kim will meet with D6 art teachers on September 26th to brainstorm ideas on how we can connect with Art in the future. This will also be a good time to ask for feedback on the coloring books.
