Committee Scope: Repairs, Acquisitions, Maintenance, and Planning

Stakeholders: N/A

Introductions: N/A

### Discussion Items:

1. **Repairs** (unexpected damages)
  - a. New and ongoing repairs
    - i. Go West: Centennial Village art fence damage – a vehicle traveling at a rather high speed on A street (the south side of the Monfort House) drove up on the sidewalk and damaged 3 fence panels. No painted panels were hit. Stan will contract a fabricator to rebuild/repair the panels.
2. **Acquisitions** (Donations, Direct Purchase, deaccessions)
  - a. The Craig Montgomery art collection that has been donated to the City has all been collected and we are in the process of inventorying the pieces. **Kim will take images to the GAC meeting**
  - b. The Stampede awarded a 100<sup>th</sup> Anniversary Belt Buckle to our City manager who asked that we frame it and add it to the art collection. Does anyone oppose accepting this donation? **No Opposition but would like to know who the artist is; move forward with further discussion with GAC.**
  - c. Longview Park Art – near Promontory Park. Clint, our Park Planner thinks the bronze piece from the Loveland show titled, 'She Moves the Stars' (image below) would be wonderful at this park next spring. This would be purchased and installed with funds generated from the construction of the park near the entrance to the park. **Action: vote to recommend the purchase of this piece for \$25,000 plus shipping and installation for installation in Spring 2023. No recommendation currently. Committee would like to see this along with other options to jury. It might have too many small pieces ie: stars to place in a park.**
  - d. Possible New Purchase for Downtown – 'Mecanique Celeste' by Phillipe Pallafray (image below). This would be purchased with Art Acquisition funds and would help fulfill our promise to install outwork downtown on an empty Sculpture on Loan pedestal with permanent artwork. **Action: vote to recommend this sculpture to the Art Commission as a new 2023 purchase for \$18,000 plus installation costs; not to exceed \$25,000. Yes, unanimous vote to recommend to GAC.**

  - b. Art request for NW corner of 4<sup>th</sup> St & 35<sup>th</sup> Ave **Action: vote to recommend to the Art Commission as a new project**
