 - Spring 2023 Programming Updates (Jill)
 - Jill Droegemueller reported to the board that spring programming started off well with Grand Funk Railroad and Big Bad VooDoo Daddy. For some of the other performers it's too early to tell how well they'll do but overall staff is happy with how things are going.

The Union Colony Civic Center is providing rent and labor for the technical rehearsals for this performance in lieu of artist payment.

 - Fall 2023 Programming Updates (Jill)
 - Staff meets with Midwood Entertainment weekly to go over ideas.
 - Jill Droegemueller showed the members the capabilities of Base Camp. Base Camp is a computer program that Midwood Entertainment uses share potential shows, technical riders, and other information with the UCCC to help determine which shows to make offers on
 - Seat map – The UCCC will be changing the seat map for programming performances in the Monfort Concert Hall to include the middle of the first six rows in the higher priced "Center Circle" seating. This will allow for premium priced tickets when the pit is being used in a performance. The Section Name will be changed to Pit Seating so that there is not confusion between section and pricing code.
